Winter 2018

January 2018

Happy New Year!

2018 marks 28 years for the GGCC and in that time the rotation of new faces and fresh ideas has helped keep the pulse of the Chamber strong and the community front and center. As we ring in the new year, we are met with the departure of several key board members who are moving on from the Chamber board to focus on their own business endeavors and other growing commitments. Thank you to Christine Grogan, a dedicated volunteer and contributor on numerous committees, for 12 years of service on the Board. Thank you to Catherine Burkly and Suzanne Becker (who is leaving at the end of her term in March) for a combined total of 10 years of service to the Chamber and their many contributions. While these departures all signal positive growth and prosperity for the local business community, there is a void on the board that has to be filled in order to see the great work of this Chamber continue. We Need You. The time is now and opportunity is knocking. Come join the board and be a voice in your community!

On that note, I too will be stepping down from my position at the end of the month. I have a wonderful new baby at home and a busy young family that I am eager to have more time with. Anastasia (Stacey) Nute will be taking over in my absence until such time that the board seeks new candidates for the permanent director position.

I hope 2018 brings you continued success and I look forward to our paths crossing in the future!

With all best wishes,
Jessica Lynn

The Board of Directors meets once a month for regular meetings. **If you or one of your employees is interested, please let us know. I guarantee that you will be proud of the involvement and benefit from it personally.**
