## Sponsorship Form

We are humbly requesting your generous support of the Greater Greenwich Chamber of Commerce's annual Whipple City 5K & 10K races.

The races are an integral part of our Whipple City Festival, with a portion of the race proceeds supporting the Greater Greenwich Chamber of Commerce Scholarship awarded to a Greenwich Central School graduating senior pursuing a business program at a New York State school of higher education.

This year the races will be held on **Saturday, June 15, 2020**. The 5k & 10k are widely promoted throughout the area and draw many runners and spectators from Saratoga, Rensselaer, Albany and Washington Counties. Below are the levels of sponsorship and promotional recognition you will receive at each level.

**Please send your form and check by to us by Tuesday, May 5, 2020, for proper acknowledgement.**

Thank you for your consideration and support!
